

We talk a
LANGUAGE
people understand

We do not do ordinary

We work to keep what we do
new and exciting

Every experience, we make
memorable

Each experience teaches us
something new

We work from the heart, not
just a manual

Our name stands for innovation
in products and services

We do the
**RIGHT
THING**
- every time

We act fairly

Loyalty is the cornerstone
— friends for life

Everyone should feel
a part of it

We aim to deliver
every promise

Yes I can, never no I can't

We're business people
first, lawyers second

We aim to be the region's legal provider of choice

We dare to be
DIFFERENT

Quality before quantity, every time

We take both pride and joy in what
we do

Whatever we do, we give it our all

Nothing is ever too much trouble

We know our stuff

Always available when you need us

We bring our
PASSION
to work

We treat everyone like
family

We listen

Feedback makes us better

We never let the process
get in the way

Always easy to use and
understand

Keep everything simple
